Aim of this code of conduct

Huntington Community Primary School expects all pupils to receive high-quality teaching and learning in a positive and respectful environment.

Employees at the school should ensure that their own behaviour, and the manner in which they conduct themselves with colleagues, pupils, parents and other stakeholders, sets a positive and professional example for pupils.

We recognise that the majority of staff members act appropriately and treat each other with dignity and respect; however, we consider it important to clarify the expected standards.

This policy forms part of a staff member's contract of employment and failure to comply with it, along with the associated school policies, may result in disciplinary action being taken, including legal action where this is warranted.

This document applies to staff members who are employed by the school, including the Headteacher and volunteers.

This document does not apply to:

- Peripatetic staff members who are centrally employed by the LA.
- School catering staff employed by *Edsential*.
- Employees of external contractors.

These employees are governed by their employment contracts and any relevant laws pertaining to their activities within the school, for example, the UK GDPR and the Data Protection Act 2018.

This Code of Conduct operates in conjunction with the CWAC Code of Conduct for School Employees.

1. Professional behaviour and conduct

Staff are expected to demonstrate consistently high standards of personal and professional conduct such that public confidence in their integrity is sustained.

Staff will:

- Have proper and professional regard for the ethos, policies and practices of the school.
- Maintain high standards in their attendance and punctuality.
- Take care of themselves and others affected by their activity at school.
- Cooperate with school leaders in meeting their duties under the relevant regulations.
- Treat pupils, parents, colleagues and external contacts with dignity and respect.
- Observe proper boundaries appropriate to their professional position, showing tolerance of and respect for the rights of others.
- Inform the Headteacher if they are subject to a criminal conviction, caution, ban, police enquiry, investigation or pending prosecution.
- Be aware that professional behaviour and conduct is expected to be extended to extracurricular trips and visits.
- Act appropriately in terms of the views they express – in particular, political views – and the use of school resources at all times.

Staff will not:

- Use foul or abusive language.
- Perpetrate discrimination, bullying, harassment, or intimidation, including physical, sexual and verbal abuse.
- Misuse or misrepresent their position, qualifications, or experience.
- Seek to bring the school into disrepute.
- Use school resources for political purposes

2. Safeguarding pupils

In accordance with 'Keeping children safe in education 2024' (KCSIE), staff have a responsibility to safeguard pupils by:

- Providing help and support to meet the needs of pupils as soon as problems emerge.
- Protecting pupils from maltreatment, whether that is within or outside the home, including online.
- Preventing the impairment of pupils' mental and physical health or development.
- Ensuring that pupils grow up in circumstances consistent with the provision of safe and effective care.
- Taking action to enable all pupils to have the best outcomes.

To effectively safeguard pupils, staff are required to follow the procedures outlined in this *Staff Code of Conduct*, the *Behaviour Policy* and the *Safeguarding and Child Protection Policy*.

All staff must ensure that they do not act in a way that may put pupils at risk of harm, or lead others to question their actions. Staff should also be aware of the role of the DSL (Designated Safeguarding Lead) and when to contact them

In accordance with the school's *Behaviour Policy* and *Safeguarding and Child Protection Policy*, staff will be prepared to identify pupils who may be subject to, or at risk of, various types of abuse and neglect and exploitation, including, but not limited to, the following:

- Physical abuse
- Emotional abuse
- Sexual abuse
- Neglect
- Child-on-child abuse
- Child criminal exploitation (CCE)
- Child sexual exploitation (CSE)
- Domestic abuse
- FGM
- Serious violence

Staff will also be expected to understand that mental health problems can, in some cases, be an indicator that a pupil has suffered or is at risk of suffering abuse, neglect or exploitation.

Copies of policies and a copy of Part One (or, where appropriate, Annex A for staff members not working directly with children) of 'KCSIE' will be provided to staff at induction. Staff will have a clear understanding of the school's policies and procedures with regards to safeguarding issues, e.g. abuse, and the important role they play in preventing harm against pupils.

In accordance with the school's *Safeguarding and Child Protection Policy*, staff will also be aware of the factors that could increase a pupil's risk of being subject to safeguarding issues, including but not limited to:

- Pupils who need a social worker (Child in Need and Child Protection Plans).
- Children absent from education, particularly if on repeat occasions and/or long periods of time.
- Elective Home Education (EHE).
- Pupils requiring mental health support.
- LAC, PLAC and care leavers.
- Pupils with SEND or health issues.
- Pupils who identify as or are perceived to be LGBTQ+.

If a staff member has any concerns about a pupil's welfare, they will act on them immediately. They will follow the necessary reporting and referral procedures outlined in the *Safeguarding and Child Protection Policy* and speak to the DSL. Staff will be aware of the procedures to follow if a pupil tells them they are experiencing abuse, exploitation or neglect.

In all cases, if a member of staff feels unsure as to whether an incident or pupil would be classed as a safeguarding concern, they will speak directly to the DSL. Staff will not assume a colleague will take action and share information that might be critical in keeping children safe.

Staff will recognise, acknowledge and understand that even if there are no reports of child-on-child abuse in the school, this does not mean it is not happening. Staff will understand the scale of harassment and abuse and challenge inappropriate behaviours between peers that

are abusive in nature and report any concerns regarding any form of abuse to the DSL without undue delay.

Any member of staff that has concerns about another staff member's actions or intent, or believes these actions may lead to a pupil being put at risk of harm, will report this in line with the *Allegations of Abuse Against Staff Policy* or *Whistleblowing Policy* immediately, so appropriate action can be taken. This includes if the staff member in question is a volunteer, supply staff or an individual using school premises to host extra-curricular activities.

If the concern is regarding the Headteacher, staff will report this to the Chair of Governors.

If a member of staff feels unable to raise an issue with the school, they will use other whistleblowing channels, including contacting the NSPCC's helpline on 0800 028 0285 (between the hours of 8:00am and 8:00pm Monday to Friday) or email address help@nspcc.org.uk. Staff can also access guidance at www.gov.uk/whistleblowing. Fear about sharing information must not be allowed to stand in the way of the need to safeguard and promote the welfare of pupils.

Staff will undergo safeguarding and child protection training at induction. This will include training around online safety, particularly concerning the understanding of roles and responsibilities in relation to filtering and monitoring, in line with the [filtering and monitoring standards](#). This training will be updated at least annually to continue to provide staff members with relevant skills and knowledge to safeguard children effectively.

Staff will recognise that, when teaching pupils about safeguarding and online safety, a one-size-fits-all approach may not be appropriate for every pupil, and a more personalised or contextualised approach may be needed for pupils who are vulnerable, victims of abuse and/or have SEND.

Staff will be aware of the local early help process (via the CWAC Early Help and Prevention Service: 01244 977720) and understand their role in it.

Staff will also be aware of the process for making referrals to children's social care service (CSCS – via i-ART: 0300 123 7047) and for statutory assessments under the Children Act 1989, along with the role they may be expected to play in such assessments.

Staff will reassure victims that they are being taken seriously and that they will be supported and kept safe by the school. Staff will never give the impression that pupils are creating a problem by reporting abuse, sexual violence or sexual harassment, nor should a pupil ever be made to feel ashamed for reporting an incident.

Staff will know how to manage the requirement to maintain an appropriate level of confidentiality, involving those who need to be involved, but will never promise a child that they will not tell anyone about a report of any form of abuse, as this may ultimately not be in the best interests of the child.

Staff will be aware of the school's legal duty to make a referral to the DBS where they consider an individual has engaged in contact that has harmed, or is likely to harm, a child.

3. Appearance and dress

The school expects that staff will:

- Ensure that their appearance is clean and neat when at work or representing the school.
- Dress in a manner that is appropriate to their role – the school will make reasonable adjustments to uniform expectations to suit disabilities, medical conditions, and religious and cultural beliefs.
- Not wear clothing that could have implications for the health and safety of themselves, or others in their care.
- Remember that they are role models for pupils, and that their dress and appearance should reflect this.
- Not dress in a way that would cause embarrassment to pupils, parents, colleagues or other stakeholders.
- Ensure that, if visible, tattoos do not cause offence to others; if tattoos or body art are likely to cause offence, they must be covered up whilst in work.
- Ensure that jewellery and piercings are minimal and, in the health and safety interests of both staff and children, avoid anything that could catch or be caught by pupils.
- Wear footwear that is appropriate to the demands of the role: open-toed shoes or very high heels pose a health and safety risk and should not be worn to school.
- Speak to the Headteacher if they are unsure whether clothing is appropriate.

4. Attendance

The school expects that staff will:

- Attend work in accordance with their contract of employment and associated terms and conditions in relation to hours, days of work and holidays.
- Comply with the school's notification of sickness absence procedures.
- Make routine medical and dental appointments outside of their working hours or during holidays where possible.
- Refer to the school's *Staff Attendance and Absence Policy* if they need time off for any reason other than personal illness.
- Follow the school's absence reporting procedure when they are absent from work due to illness or injury.

5. Conduct outside of work

Staff may undertake work outside school, either paid or voluntary, provided that it does not conflict with the interests of the school.

Staff will not engage in outside work which could seriously damage the reputation and standing of the school, the employee's own reputation, or the reputation of other members of the school community. Staff will also not engage in outside work at a level which may contravene The Working Time Regulations 1998 or affect an individual's work performance.

Staff committing offences that involve violence, possession or use of illegal drugs, or sexual misconduct is unacceptable, and will result in disciplinary procedures in line with the school's *Disciplinary Policy and Procedure*.

Staff will not engage in inappropriate use of social network sites which may bring themselves, the school, school community or employer into disrepute. This is explored further in the [Acceptable use of technology](#) section of this policy.

6. Smoking, e-cigarettes, alcohol and other substances

Staff will not smoke or vape on, or within a 500m radius of, the school premises, or whenever in the sight of pupils, parents or visitors.

Staff will not smoke or vape whilst working with or supervising pupils off-site, such as when on educational visits and trips.

Staff will report for work and remain in a condition to perform their duties free from the effects of drugs, alcohol or any other substances that may hinder judgement and cause changes in behaviour; this does not include over-the-counter painkillers such as paracetamol

If alcohol or drug usage impacts on a staff member's performance, the school has the right to discuss the matter with the employee and take appropriate action in accordance with the school's disciplinary procedures, including referral to the police.

7. Health and safety

Staff members will:

- Be familiar with, and adhere to, the school's *Health and Safety Policy* and ensure that they take every action to keep themselves and everyone in the school environment safe and well.
- Comply with health and safety regulations, adhering to any rules, routines and procedures in place, and cooperate with school leaders and colleagues on matters relating to health and safety.
- Use the correct equipment and tools for the job and any protective clothing supplied.
- Inform the Headteacher of any paid work which is undertaken elsewhere, for compliance with The Working Time Regulations 1998 (as amended).
- Adhere to their common law duty to act as a prudent parent would when in charge of pupils.

8. Conflicts of interests

The school is aware that situations may arise where family interests or loyalties conflict with those of the school; however, staff have an obligation to act in the best interests of the school community to avoid situations where there may be a potential conflict of interest.

All staff will be able to demonstrate that they do not have a vested interest in any decision-making or budget spending. All declarations will be submitted in writing to the School Business Manager for inclusion on the school's Declared Conflicts of Interest Register.

Failure to make a relevant declaration of interests is a serious breach of trust and, therefore, if employees are in doubt about a declaration, they are advised to contact the school or trade union.

Any member of staff found to be withholding information about a conflict of interest will be subject to disciplinary action in line with the *Disciplinary Policy and Procedure*.

Staff and volunteers will be responsible for:

- Declaring any conflicts of interest.
- Acting in accordance with this policy at all times.
- Identifying any conflicts of interest that have not been previously declared.
- Following the school's *Whistleblowing Policy* where there are concerns that a conflict of interest has not been declared, and an individual might have subsequently benefitted.
- Ensuring that all individuals in a discussion do not have a vested interest in the subject.
- Informing the Headteacher of any relatives who may have a declarable interest.
- Consider whether they need to declare their relationship with any individual where this might cause a conflict with school activities.

Membership to a trade union or staff representative group does not need to be declared.

Financial inducements

Staff will:

- Familiarise themselves and comply with the school's financial regulations.
- Declare to the Governing Board, in writing, any gifts received, with the exception of:
 - Low cost, functional items suitable for business rather than personal use and displaying the supplier's logo – these items may be accepted.
 - Non-excessive gifts offered by parents or pupils to school staff to express their gratitude - but staff members should always refuse monetary gifts.
 - Hospitality in the form of meals and drinks where it is part of a normal business meeting.
 - Authorised visits to exhibitions, demonstrations, conferences, business meals and social functions in connection with the school's business, which shall be at the school's expense.
- Not accept a personal gift, payment, or other incentive from a business contact – any such gifts should be returned.
- Declare any gift that cannot be returned to the Governing Board, who will decide how it will be used.
- Only accept offers to specific events after authorisation from the Governing Board.

Contacts

Staff members will not use school business contacts for acquiring materials or services at trade/discount prices for non-school activities, unless participating in concessionary schemes arranged by trade unions or other such groups.

9. Maintaining professional relationships with pupils

The school expects that staff will:

- Maintain professional boundaries and relationships with pupils at all times, and will consider whether their actions are warranted, proportionate, safe and necessary.
- Act in an open and transparent way that would not lead to others questioning their actions.
- Ensure that they do not establish social contact with pupils for the purpose of securing a friendship, or to pursue or strengthen a relationship.
- Ensure that they do not develop personal or sexual relationships with pupils: this includes sexual remarks and discussing their own sexual relationships with, or in the presence of, pupils.
- Only contact pupils via the school's established mechanisms: personal phone numbers, email addresses or social media platforms will not be used to contact pupils.

Staff are aware that they must not:

- Discuss personal information with pupils, such as concerning their lifestyle or marital status, unless it is directly relevant to the topic being taught.
- Correspond in a personal nature through any medium with pupils (e.g. phone calls or text messages) unless it is within the staff member's role and via an approved communication method, e.g. school emails.
- Adopt an ongoing support role beyond the scope of their position.
- Use personal equipment for approved activities, such as a personal camera, unless approved in writing by the SLT, and will not photograph, audio record or film pupils without authorisation from the SLT and consent from the pupil's parent (except in line with the guidance in the school's *Use of mobile phones and digital photography policy*).
- Save images, videos or audio recordings of pupils on personal devices, unless authorised by the SLT or parents.
- Upload images, videos or audio recordings of pupils to any location without consent from parents and the SLT.
- Discuss or share information regarding other pupils or members of staff; staff should be aware of their surroundings when speaking to others, as their conversations may be overheard.
- Ignore instances of sexual harassment and inappropriate behaviour amongst pupils.
- Invite or allow pupils to visit their home.
- Allow pupils to access staff members' personal devices.
- Attend pupils' homes or their social gatherings, unless approved by the SLT.
- Be alone with a pupil outside of teaching responsibilities, unless approved by the SLT.
- Enter changing rooms or toilets occupied by pupils, when supervision is not required or appropriate, use toilet facilities allocated to pupils, or undress in facilities intended for use by pupils.
- Not transport a pupil unless in line [section 12](#).
- Carry out one-to-one tutoring, mentoring or coaching of pupils, unless approved by the Headteacher or SLT.
- Give personal gifts or special favours, or disproportionately single specific pupils out for special duties or responsibilities.
- Offer overnight, weekend or holiday care as a respite to parents without the approval of the Headteacher.

Under the Sexual Offences Act 2003, it is an offence for a person aged 18 or over to have a sexual relationship with a child under 18 where that person is in a position of trust in respect to that child, even if the relationship is consensual.

Where inappropriate contact is made with pupils, this will be raised with the Headteacher, and handled in line with the school's *Safeguarding and Child Protection Policy* and *Staff Code of Conduct*.

If a pupil is consistently attempting to befriend or contact a member of staff on social media, the member of staff will inform the Headteacher as soon as possible.

Staff are strongly discouraged from forming personal relationships with former pupils, including on social media, as well as with the parents of any pupils on social media.

In the event of the school becoming aware of a close relationship between a member of staff and a former pupil which may raise concerns about their suitability to work with children, the Headteacher will contact the LA designated officer (LADO) for advice and guidance.

Any inappropriate contact made with former pupils will be handled in line with the *Safeguarding and Child Protection Policy* and *Staff Code of Conduct*.

Appropriate language

Staff will be informed that pupils should not be treated as friends. Staff will not:

- Use inappropriate names or terms of endearment.
- Allow inappropriate conversations or enquiries of a sexual nature to occur.
- Comment on a pupil's appearance, including personal flattery or criticism.
- Treat pupils disrespectfully or discriminatorily, based upon their perceived or actual protected characteristics.
- Subject pupils to humiliation, profanity, or vilification.
- Allow or partake in suggestive humour, banter, jokes or innuendos of a sexual nature.
- Use obscene or inappropriate gestures and language.
- Partake in personal conversations, including on the phone, where this may be overheard by pupils.

10. Physical contact with pupils

All staff members will respect the personal space and privacy of all pupils and will avoid situations which unnecessarily result in close physical contact.

The school understands that there are circumstances in which it is entirely necessary for staff to have physical contact with pupils (e.g. when applying first aid and assisting with intimate care) but staff will only do so in a professional and appropriate manner in line with the school's *Physical Intervention and Safe Touch Policy*.

The school acknowledges that situations may arise in which staff members will be required to use physical intervention, and in some cases reasonable force, in order to manage conflict, disruption and distressed behaviour when other measures have failed to do so. In these cases, staff will ensure that actions such as safe touch and reasonable force are used in a correct and safe manner, in accordance with the relevant legislation and national guidance and in line with the schools *Physical Intervention and Safe Touch Policy*.

In all interactions with pupils staff will always behave and act in a respectful and professional manner and staff will be aware that extra caution and consideration may be needed where it is known that a pupil has previously suffered from abuse or neglect.

11. Changing and showering

Staff will ensure that pupils are afforded respect and privacy whilst they are changing, e.g. before and after PE or a sports event; however, a level of supervision is required to ensure that pupils are safe, and that they are not subjected to bullying.

The supervision will be appropriate to the needs and ages of the pupils, and sensitive to the potential for embarrassment.

Staff will adhere to the appropriate policies and risk assessments (eg. PE risk assessment) and ensure that appropriate supervision and support is given to all pupils, including those who may need assistance with showering and changing.

Where possible, female staff will supervise girls and male staff will supervise boys.

Staff will announce their intention of entering the changing room to allow pupils to maintain their privacy and will only remain in the changing room for as long as is necessary.

Staff will never change or shower in the same area as pupils (e.g. when at a residential centre).

12. Transporting pupils

Staff are aware that the safety and welfare of pupils is the responsibility of the school until pupils are with their parents. The school is committed to taking all possible safety measures to ensure the safety of pupils.

When it is necessary to transport pupils off-site, staff will gain consent from parents before transporting pupils and adhere to the appropriate school policies and risk assessments.

Staff will ensure that they:

- Hold a full valid driving licence for the category of vehicle being driven and providing their licence details to the Headteacher where required.
- Drive in accordance with the laws of the road and Highway Code.
- Check before each journey that the vehicle is roadworthy, e.g. tyres are properly inflated and meet legal requirements.
- Ensure that they are fit to drive; where their fitness to drive may be impaired, e.g. due to a medical condition or taking medication, they inform their line manager as soon as possible and notify the DVLA where required.
- Notify the Headteacher where there is any change in their circumstance in relation to driving at work, e.g. if they acquire penalty points on their licence for motoring offences outside of work.
- Staff will only use their own vehicle to transport pupils where there is no practical or reasonable alternative, and where agreed upon by the Headteacher in advance of the journey. Only members of staff with the appropriate level of DBS check and safeguarding and behaviour management training will be permitted to transport pupils.

When using their own vehicle to transport pupils, staff will ensure that their driving insurance is valid for the purposes of business use, including cover for persons travelling as business

passengers – this requirement is met through the school extending staff's insurance to business-class to meet CWAC requirements.

Two or more staff will be present in the vehicle to avoid any discrepancy regarding safeguarding concerns, if a single pupil is being transported.

Staff will not offer pupils transport outside of their normal working duties, other than in an emergency or if a pupil is at risk. These circumstances will be recorded and reported to the Headteacher and the pupil's parents.

13. Acceptable use of technology

Staff are aware of the benefits and challenges associated with using technology in school. When using technology staff will always adhere to the various procedures, freedoms and limitations outlined in the relevant school policies, which include but are not limited to:

- Online Safety Policy
- ICT Acceptable Use Policy

Staff will be aware of how the use of technology can impact safeguarding and wellbeing issues, e.g. online abuse. Staff will be vigilant to ensure their own behaviour is respectful and that pupils are using technology appropriately while under their care.

Social media

Staff will be aware that their conduct on social media can have an impact on their role and reputation within the school, and will follow the school's *Social Media Policy* at all times.

Staff will remain mindful of their use of social media and their web-based presence including written content, videos or photographs, and views expressed directly or indirectly which may bring themselves, the school, or the school community into disrepute.

Staff are required to employ the highest security settings on any personal profiles they may have.

Staff will not engage in inappropriate use of social networking sites, including contacting pupils or their family members, accepting or inviting friend requests from pupils or their family members, or following pupils or their family members on social media.

The school understands that some staff members are also parents of pupils at the school and, therefore, may wish to contact other parents. When doing so, staff will exercise their professional judgement and will not contact family members on social media if this would lead to a conflict of interest.

14. Photography, images and videos

Photographs and videos will only be taken using school equipment – using personal mobile phones for this purpose is prohibited, in accordance with the school's *Use of Mobile Phones and Digital Photography Policy* (which does, however, allow staff to take photographs/videos on their mobile phones for the express purpose of rapid upload to *Twitter/X* if no other easy option is available - these photographs/videos must be deleted from the personal device as soon as possible afterwards).

Staff will ensure that imagery and videos will be kept in an appropriate and secure place in school (ideally in the folder *Photos and Videos on Staff Share*).

No pupil will be photographed in a state of undress or semi-undress, or in a situation which could be considered as indecent or sexual.

Staff will not take images of a pupil's injury, bruising or similar (e.g. following a disclosure of abuse), and staff members will not make audio recordings of any disclosure made by a pupil.

Consent for taking photographs will be obtained from parents.

Parents who have not provided consent for their child to have their photograph taken or be filmed will have their wishes respected, in line with the *Use of Mobile Phones and Digital Photography Policy*. The school will take steps to ensure that, as far as possible, these wishes are not made known to other parents or pupils.

All photographs and videos will be available for scrutiny, and staff will be prepared to justify the images or footage taken.

Careful consideration will always be given to the activities which are being filmed or photographed, to ensure that images or videos are not indecent and cannot be misused.

15. Premises, equipment and communication

Staff are responsible for:

- Being aware of and following the requirements of the *School Security Policy*.
- Securing windows and doors when rooms are not in use.
- Ensuring that visitors sign in and out at the school office.
- Challenging any unidentified individuals and notifying the headteacher of any unauthorised person.
- Securing valuable equipment after use.
- Ensuring the security of school equipment when taken off the school premises, such as laptops.
- Acting in accordance with the school's *Data Protection Policy*, ensuring that data and information is secure.
- Reporting any minor security concerns to the Headteacher.
- Reporting major security concerns directly to the police or emergency services, where appropriate.
- Carrying their school ID with them at all times.
- Being responsible for the security of any of their own property that they bring to the school site.

School equipment and systems are available only for school-related activities and will not be used for the fulfilment of another job or for personal use, unless specifically authorised by the Headteacher. Illegal, inappropriate or unacceptable use of school equipment or communication systems may result in disciplinary action and, in serious cases, could lead to an employee's dismissal.

Employees receiving inappropriate communication or material, or who are unsure about whether something they propose to do might breach this policy, should seek advice from the Headteacher.

The school reserves the right to monitor emails, phone calls, internet activity or document production on school-owned equipment, principally in order to avoid offensive or nuisance

material and to protect systems from viruses, but also to ensure proper and effective use of systems.

Communication systems may be accessed when the school suspects that the employee has been misusing systems or facilities, or for the investigation of suspected fraud or other irregularity. Access will be secured by the Headteacher/IT support technician, only with the permission of the Governing Board.

Passwords should not be shared and access to computer systems must be kept confidential except on the express request of the Headteacher. Breaches of this confidentiality may be subject to disciplinary action.

School equipment that is used outside the premises (e.g. laptops) will be returned to the school when the employee leaves employment or if requested to do so by the Headteacher.

16. Data protection and confidentiality

All staff will be aware of their responsibilities as laid out in the schools Data Protection Policy and in line with the core principles of the UK GDPR and the Data Protection Act 2018.

Staff members will not disclose sensitive information about the school, its employees or the LA to other parties. The only exception to this is when the confidential information gives rise to concerns about the safety or welfare of a pupil.

Staff members have the right to request access to data that is held about them. Such requests will be made to the Headteacher in writing in accordance with the school's *Data Protection Policy*.

Staff will ensure that:

- Confidential paper records are kept in a locked filing cabinet, drawer or safe, with restricted access, and will not be left unattended or in clear view anywhere with general access.
- Memory sticks are not used to hold personal information unless they are password-protected and fully encrypted.
- They will not use their personal laptops or computers for school purposes. All necessary members of staff are provided with their own secure login and password.
- When sending confidential information staff will always check that the recipient is correct before sending.
- They involve the DPO (via the Headteacher or School Business Manager) in all data protection matters closely and in a timely manner.

If staff and governors need to use their personal laptops for school purposes, particularly if they are working from home, they will bring their device into school before using it for work to ensure the appropriate software can be downloaded and information encrypted.

Before sharing data, all staff will ensure:

- They are allowed to share it.
- That adequate security is in place to protect it.
- Who will receive the data has been outlined in a privacy notice.

Where personal information that could be considered private or confidential is taken off the premises, either in electronic or paper format, staff will take extra care to follow the same

procedures for security (e.g. keeping devices under lock and key). The person taking the information from the school premises accepts full responsibility for the security of the data.

When pupils and staff join the school, the staff member or pupil (or, where appropriate, pupil's parent) will be required to complete a consent form for personal data use. This consent form deals with the taking and use of photographs and videos, amongst other things. Where appropriate, third parties may also be required to complete a consent form.

The school holds the right to take the necessary disciplinary action against a staff member if they believe them to be in breach of the above security measures.

17. Probity of records

The deliberate falsification of documents, such as references, academic qualifications or legal documents, is unacceptable. Where a staff member falsifies records or other documents, including those held electronically, this will be regarded as a serious disciplinary matter and potentially a criminal offence.

18. Monitoring and review

This document will be reviewed on a three-yearly basis by the Headteacher, Finance and Personnel Committee and the full Governing Board, and any changes made will be communicated to all members of staff.

The next scheduled review date of this document is summer term 2028.

All members of staff are required to familiarise themselves with this document as part of their induction programme.
