Dear Parents/Carers

As you will be aware, the school is currently under enhanced Covid measures as a result of advice from CWAC's Outbreak Management Hub, based on the number of cases and classes reaching threshold (more than 2 pupils per class). The situation is now easing, with 18 pupils currently absent with Covid (down from a high last week of 50) and only three classes at threshold levels (4 cases being the highest in any one class). The situation is due for review by the Hub on Thursday, and we will inform you of any changes to the Covid measures required after that review. Until then, please continue to follow the revised drop-off/pick-up procedure.

Thank you for your support with daily LFD testing of your children, and adapting to the revised access procedures – this has assisted with bringing case levels down.

Yours sincerely,

Duncan Rose
Headteacher
