Dear Parent/Carer,

Climate Neutral Now!

We are delighted to have a very active Climate Neutral Council and due to their imaginative ideas, our school will enjoy a Climate Neutral Now day on **15 July**.

Every year, Huntington uses carbon credits to offset electricity usage. Also, we are proud that as a result of our whole school effort, our year on year use of fossil fuels have decreased quite a lot!

Huntington takes recycling very seriously, and already subscribes to various recycling schemes, including:

- Waste sorting and recycling
- Food waste recycling
- Used battery recycling scheme

Our pupils are looking forward to taking part in a wide range of Climate Neutral Now activities on 15 July, some of which are listed below:

- Paper free day! Our children will enjoy a paper free day engaging in lots of eco-friendly activities, saving approximately 6,000 sheets of paper.
- Cycle/Walk to school on 15 July
- Wear **green** for a £1 donation (on School Money) to celebrate **Green** Energy Alternatives
- Eco council to plant a tree with our Forest School Lead, Mr Jones
- Climate Neutral Council to research and purchase carbon credits
- Crisps packets recycling at lunch time

We are proud to offer our pupils this learning experience and appreciate your support.

Kind Regards

Miss Avery and the Climate Neutral Council
