Dear Parents/Carers

I am writing to let you know about an arrangement which is in place regarding all children living in Cheshire West and Chester.

This agreement aims to support children who are affected by self-harming behaviour.

Where a child under the age of 16 attends A&E or is admitted onto a hospital ward following a self-harm incident, the hospital will communicate this, at the earliest opportunity, to the Safeguarding Lead in school. This will help to ensure that the school is able to support children and young people in a way that means they feel safe and included. There may be the need, in some cases, for ongoing communication with CAMHS in order to meet the needs of the child.

We are committed to working in partnership to safeguard and protect children and young people across Cheshire West and Chester and to provide the best possible care and support for our pupils.

In the meantime, if you would like to speak to someone further about this or require further information, please do not hesitate to contact us.

Kind regards

Mr Rose  
Headteacher
